All specialist reports were edited for publication by Russel Coleman. The authors would like to thank local archaeologist Charlie Miller, Resurgam!, for his help during the excavation and writing-up of this paper. Thanks also to the Tain Archaeology Group and students from the Aberdeen Univer-

sity, Certificate of Field Archaeology, for their help during the excavation. The fieldwork was funded by Highland Council; the writing up of the results and the publication of this paper were funded by Historic Scotland. Highland Council Archaeology Service provided a curatorial role during the fieldwork.
